DYSFUNCTION? CHAOS? POOR MANAGEMENT & LEADERSHIP?

But of course! What better place to engage fully in the process of being the fullest expression of your essential self? We will discuss the dilemmas of the workplace and the way out of stuckness, stress and disillusionment, to discover how you are cultivating your potential in every moment of your work-life.

Dr. Rosie Kuhn, author of *Self-Empowerment 101* and founder of *The Paradigm Shifts Coaching Group* in Silicon Valley, is the preminent Thought Leader in the field of transformational coaching, coach training, and leadership development.
